LONG TERM CARE INTEGRATION PROJECT

Long Term Care Integration Project (LTCIP)

STAKEHOLDER MEETING

August 18, 2010

Please join us on **Wednesday, August 18, 2010 from 10:30 AM to 12:00 PM** for our Quarterly LTCIP Stakeholder Meeting. The meeting will be held at **ST PAUL'S PACE**, 111 Elm Street, San Diego CA 92101. Parking will be available in front of the building, and also at St. Paul's parking facility which is operated by the Rescue Mission. It is located on the West side of First Avenue between Elm and Fir.

PACE (Program of All-inclusive Care for the Elderly) provides 120 San Diego seniors who are nursing home level of need with a caring network of social and medical services so they can continue to live in their own home with independence and dignity. Amanda Dunkin, Marketing Director, Carol Hubbard, Executive Director, and Dr. Aireen Gutierrez of ST PAUL'S PACE, will discuss the challenges of running a PACE program and how they have overcome challenges and barriers; capitation, program expenses and innovative cost savings; and their interdisciplinary team, including how decisions about a senior's care are made. The PACE team will present several case studies and discuss the expansion plans for PACE throughout San Diego county. A tour of the PACE Program will follow the presentation.

Please plan to join us on August 18th for this presentation, tour and other LTCIP updates. More information about the LTCIP is available at www.sdltcip.org. Please do not hesitate to contact Brenda Schmitthenner at brenda.schmitthenner@sdcounty.ca.gov or (858) 495-5853 with questions.
